

WRIGHTINGTON PARISH COUNCIL

At the Meeting of the Council of the Parish of Wrightington held on Monday 19 February 2018 at Mossy Lea Village Hall at 7.30pm the following were present:

Councillors: Mrs J Burton (Chairman), Mr F Hodgkinson, Mr C House, Mr F Johnson and Mr J Clinch.

OPEN FORUM

(At this point in the Meeting members of the public present can report, ask questions, raise issues and make observations on parish matters or items appearing on the Agenda. Reports will also be received from the Police, District and County Councillors if attending – Once open forum is closed the Chairman will only suspend standing orders to allow public participation in extreme circumstances.)

Mrs Jacqueline Boyham was present to observe the Parish Council Meeting and Procedures involved, however, quickly reported that due to a change in her personal circumstances she is no longer able to commit to the role of a Parish Councillor. Mrs Boyham went on to report her disappointment at the amount of cardboard left in Mossy Lea following the recent cardboard collections. She feels that the boxes provided for recycling cardboard are inadequate and, if they are left out without lids, the contents blow everywhere. Mrs Boyham did telephone West Lancs. BC who confirmed they would send out a litter picker.

The Clerk will ask the village hall treasurer to inform Councillor Mrs Burton when the money is in the bank account following which, Councillor Mrs Burton will speak with the management at Pesto to ensure that they are still happy with the location of the defibrillator on their wall and connection to their electricity supply.**
- d) Three queries from an Appley Bridge resident: i) re: allotments ii) Skull House Lane being used by HGV's as a short cut to the motorway iii) rumours that Ramsey Timber is in the process of changing into a factory producing laminates – **i) The Parish Council do not have any land available for the creation of allotments. ii) The Council agreed to refer the email to LCC as the highways authority. iii) The Parish Council note that some work has taken place but confirm that they are unable to speculate as to the purpose of the work.**
- e) Pre Ironman communication with the planned 2018 closures in advance of a leaflet drop – **The Council agree that the revised route, using Tunley Lane instead of Church Lane, is likely**

The Council will stress the promised leaflet drop last year, closer to the date of the race, did not happen in Mossy Lea.

- f) Legal update from Simon Robinson re: lease and wall at Appley Bridge Village Hall, for info – **The Clerk read aloud the advice from Mr Robinson and confirmed that she had also contacted the Parish Council insurance company and registered the damage/claim with a view to possibly making a claim for the rebuild costs. The Insurance Company will appoint a loss adjuster and take this matter from there. The Council agreed that there is the potential for this to happen again in the future as there are other trees along the route of the footway adjacent which will need removing in the future. 115. HIGHWAYS AND ENVIRONMENTAL MATTERS

- Water running down Appley Lane North, running off land at The Mount, is overflowing the ditch and running down the carriageway compromising highway safety at the junction with Skull House Lane and could prove fatal in icy weather conditions.
- The playground and play equipment at the play area at Appley Lane South is in a very poor condition and enhancements promised at the play area at Heron's Wharf are disappointing.
- Highway safety for motorists existing Heron's Wharf onto Mill Lane is still a problem.
- The state of the derelict land on Mill Lane continues to deteriorate.
- Councillor Johnson reported the following: - yellow water is still flowing down Broadhurst Lane – water is still running onto the highway from Treetops – there are still no “residents only” parking signs at Chisnall Avenue – Councillor Johnson questions whether any of the litter pick requests at the rear of the BP garage and at Rookery Fold have been undertaken – foul water is still seeping from the holding tank at the rear of the BP garage on to the footpath behind and this will continue to get worse as the number of people using the site is increasing since the improvement/enhancements to the site – it was agreed that much of the litter in the vicinity of the BP garage originates from there – no progress has been made as yet with drainage work near 15 Mossy Lea Road, the Council will check whether the Diocese has received a request from LCC to go on the land to undertake the work – there is a large pothole at the left hand side of the entrance to Huws Gray – there are so many potholes on Carr House Lane that it is impossible to report them all on the LCC report a fault page.
- The very large pothole on Courage Low Lane is getting much worse and is very dangerous.
