The wording implies that the Parish Council do not already work hard in Appley Bridge. Councillors feel this statement was unnecessary and rather offensive to already serving Parish Councillors.**
- d) Notification of Household Waste Recycling Centre Consultation for comment if necessary – **Councillors understand the necessity to reduce opening hours and agreed that it would not directly affect the Parish Council as a body. However, concern was expressed about the potential increase in fly-tipping as a result of reduced opening hours. The Council will suggest using CCTV cameras at locations identified as potential fly-tipping sites.**
